

# Agility Solutions Joint-Venture Audit Process

Our team handles every step of the joint-venture process:

## Audit Notification

- Scoping (e.g. Costs, Revenue)
- Scheduling
- Balloting (if applicable)

## Data Acquisition/Analytics

- Analyze data through mining, trend analysis to derive actionable insight

## On-Site/Field Audit

- Audit at client's headquarters
- Field work at leases, inventory yards

## Communicate Findings

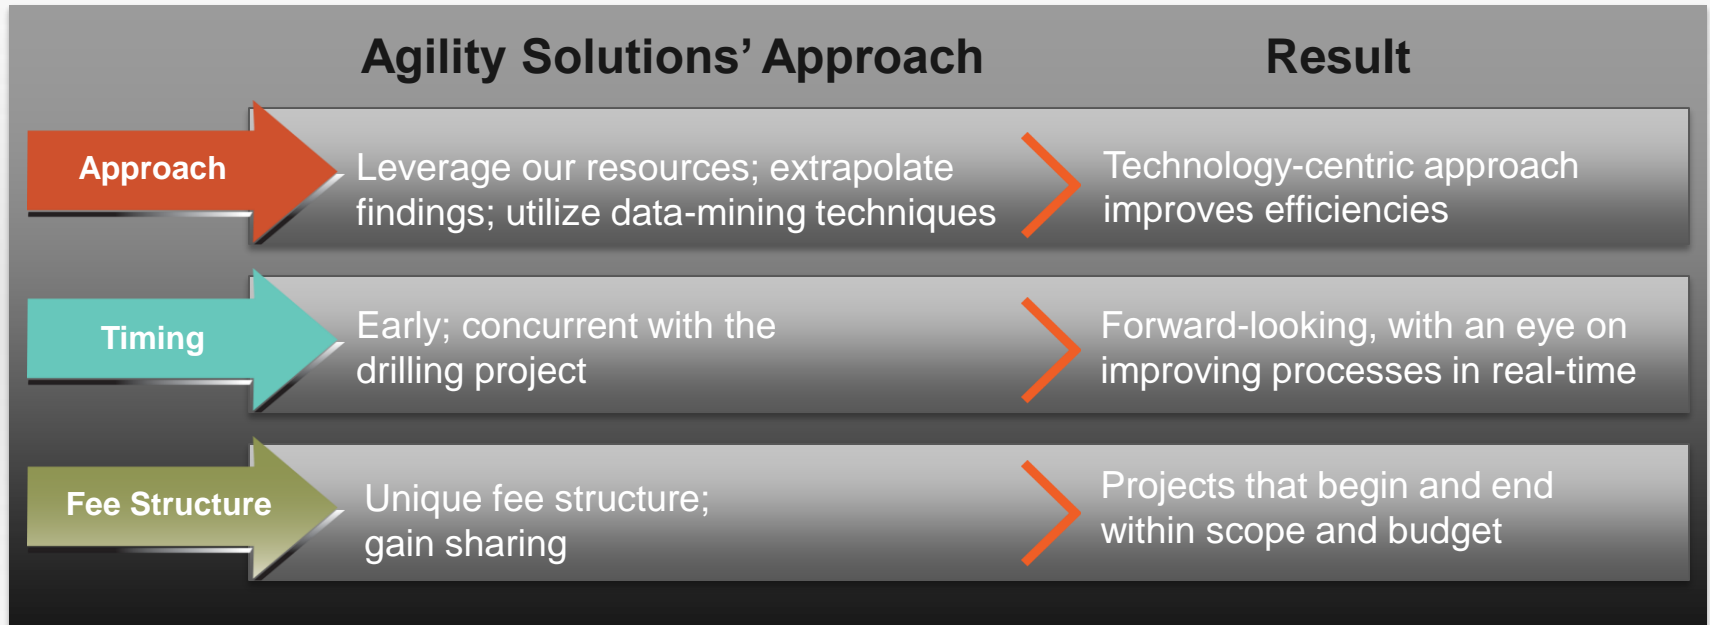

- Meet regularly with company executives
- Prepare and present audit report

## Resolve Audit Findings

- Accumulate and escalate issues
- Resolution meetings
- Ongoing monitoring

# Agility Solutions' Tailored JV Audit Approach

**Goal: Improve processes; build trust; minimize impact; maximize results**
